Argentine Culture and Language Course

http://utdt.edu/ver_contenido.php?id_contenido=11244&id_item_menu=21675

This 60-hour, intensive course is designed for intermediate to advanced level Spanish speakers who want to refine their reading, listening, and speaking skills so they achieve a full and active insertion in Argentine academia and life. It takes place 4 weeks prior to the start of classes each semester. It meets daily from 2 to 6 p.m. Students who attend the whole course and complete the required assignments receive academic credit for the class. A USD 300 fee is charged for participation in this course to cover materials and participation in 3 cultural activities.

Visa Information

http://www.utdt.edu/listado_contenidos.php?id_item_menu=21696

Students from countries that do not need a tourist visa and who are staying in Argentina for less than 6 months:

If you are a passport holder from any of these countries you will not need to obtain a visa prior to entering Argentina and, besides your passport, you won't need to bring any additional documentation. However, in order to lawfully remain in the country, within 90 days of your arrival you will have to obtain your "residencia". We will assist you in this process, which we will explain in further detail during the mandatory Orientation Program

Students from MERCOSUR countries and all students staying for more than 6 months:

You will need to bring police records from the country/ies where you lived over the past 5 years. Should these be issued in a language other than Spanish, you will need to get them translated by a certified translator upon arrival in Argentina (translations done elsewhere won't be considered valid). Please note that police records generally have an expiration date and yours should be valid at least until 90 days after you enter Argentina. In order to lawfully remain in the country, within 90 days of your arrival you will have to obtain your "residencia". We will assist you in this process, which

we will explain in further detail during the mandatory Orientation Program

Students from countries that require a visa to enter Argentina:

You will need to contact the Argentine Embassy in your home country to find out the procedures to obtain the student visa. Please note that this will take a few months. As soon as you contact the Embassy, please let us know so that we can assist you in this process.

Students from Australia, Canada and the US:

Nationals of these three countries must pay a reciprocity fee before entering Argentina. In order to find out the how much must be paid and how to do it, please visit the Dirección Nacional de Migraciones (National Migration Authority) **website** and select the option "Tasa de reciprocidad/ Tourism in Argentina".

1. Register at www.provinciapagos.com.ar and obtain an entry code.
2. Complete the form including personal and credit card details.
3. After payment is processed, print the receipt.
4. Upon arrival in Argentina, go to the special Migrations lines and present your passport with the printed receipt.

Note that without your receipt you will not be allowed to enter the country. In order to lawfully remain in the country, within 90 days of your arrival you will have to obtain your "residencia". We will assist you in this process, which we will explain in further detail during the mandatory Orientation Program.

Examinations

Exchange students must follow the same academic calendar as regular students. Examinations take place during the last 3 weeks of each semester (July-December). Exact exam dates are informed about 3 weeks prior and students are not allowed to change them. Final exams are presential and required for course approval. UTDT does not allow students to take missed exams overseas.

Transcript (date it will be dispatched)

Approximately one month after the last day of exams.

Health Insurance

All exchange students must show proof of adequate Argentine health coverage within the first week of classes at UTDT in order to enroll. Besides covering illness and emergencies, their insurance must include medical evacuation and repatriation. UTDT suggests that students use the plan provided by William Hope. Further information may be found **here**.
