About Tilburg

Large enough to find plenty to do, but still small enough to run into people you know, Tilburg is an idyllic, entrepreneurial and cultural city with a packed calendar of public events of all kinds. A true university city too; with a population of 29,000 students, every 1 out of 8 individuals is a student!

Tilburg inspires and surprises. "I didn't realize that Tilburg is such an interesting city," is one of the most frequently heard comments from first-time visitors. There is so much to see and do, not least in the field of arts and culture. Once you have experienced the 'Burgundian lifestyle' for which the region is so renowned, we know that you'll be back for more (source: <http://www.vvtilburg.nl>).

Campus life

With our green campus designed to be fast and easy to navigate, you will be able to stroll between the library and your lecture hall or your favorite café in no time. All university buildings are within walking distance from each other and set amidst landscaped gardens and open green spaces. Nomination

Exchange partners nominate their selected students via email.

Balance between semesters

Due to a big skewed distribution in the amount of incoming students in **fall semester** (August – January) and a high demand on the student housing at the start of the academic year, we would very much prefer an equal balance in nominations in both semesters.

Application

www.tilburguniversity.edu/education/exchange-programmes/applicationprocedure

All nominated students will receive an email with the application instructions and practical information about the exchange program at Tilburg University. Students complete their application online. All required documents will need to be uploaded through the online application system. We do not require original documents any longer. Required documents:

1. Transcript of records (students who are in their master studies will have to upload both their bachelor and master grade list)
2. Copy of passport
3. Additional documents may apply for specific courses (e.g. motivation letter and/ or essay). Please find more information in the section *courses for exchange students* (below)
