<p>Course information</p> 	<p>Courses in English: Our English course options for exchange students include more than 200 high-quality courses offered every term in a broad variety of business fields. A wide range of courses are taught in a block format, which contributes to increased flexibility in scheduling courses by exchange students.</p> <p>Courses in German: Apart from courses offered in English language, incoming exchange students can also attend a variety of courses taught in German.</p> <p>Courses & FAQs for Bachelor and Master students https://www.wu.ac.at/en/programs/incoming-students/exchange-semester/academics/</p> <p>Class Format: Courses with continuous assessment of student performance, meaning that classes include lectures, presentations, case studies, papers, presentations, group projects. Exams and tests are held during the regular sessions announced for the course, and, there is no special exam week after the semester ends.</p> <p>Attendance and Participation: Class attendance is mandatory, and participation is an important part of all classes.</p> <p>Course Registration: Courses at WU might overlap and the registration system allows students to register for conflicting courses. As courses are based on continuous assessment of student performance, attendance of all course sessions is mandatory. Thus, it is the students' responsibility to only register for courses they can attend in full. Course registration is based on the first-come, first-served principle, therefore we strongly recommend that students prepare 2 back-up courses in case registration for their preferred courses is not successful. Course numbers at WU have a purely administrative function and change every semester.</p> <p>Course Load: There is no minimum requirement for incoming exchange students. The maximum course load is 36 ECTS credits plus one German Business Communication course.</p> <p>Grading: The following grading scale applies at WU: 1 excellent (<i>Sehr gut</i>) 2 good (<i>Gut</i>) 3 satisfactory (<i>Befriedigend</i>) 4 sufficient (<i>Genügend</i>) 5 fail (<i>Nicht genügend</i>)</p> <p>WU does not use a standardized percentage-based grading scale. The percentage scores needed to earn the grades given above differ from course to course. In most cases the course-specific grading scales can be found in the online course description.</p> <p>Transcript of Records: We will issue a grade report for each student at the end of the semester, which will be sent to the coordinator at the home university.</p>
<p>Language requirements</p>	<p>Depending on the language of instruction (English or German), exchange students are required to have an advanced level of English or German (comparable to level B2 of the Common European Framework of Reference), to be able to successfully complete courses at WU.</p>

	WU does not require official language certificates as we trust our partners to send students who fulfil the aforementioned criteria. However, if students do not meet the language requirements, we reserve us the right to withdraw them from courses.															
German language courses	<p>Before the semester: WU offers an optional pre-semester German language course during the Orientation and Cultural Program three weeks prior to the start of the semester. To participate, students need to apply by May 15 for the winter semester and by November 15 for the summer semester. Places are limited. A reduced fee is available to Erasmus+ students.</p> <p>During the semester: WU offers German Business Communication courses at 5 different levels. Places are limited.</p>

Academic advisors support students in selecting appropriate courses and give advice on relevant academic matters.</p> <p>Buddy Network: The Austrian Students' Union (ÖH) at WU provides exchange students with a "buddy", a WU student who acts as their personal mentor. The Buddy Network also organizes a number of social activities for exchange students (skiing trips, trips to neighboring countries, theater visits, etc.).</p>															
Accommodation 	<p>Exchange students arriving in Vienna have several options to choose from when booking housing for their stay. These options include but are not limited to:</p> <ul style="list-style-type: none"> • residence halls run by OeAD, the main housing provider for students in Austria, • or a private flat that can be found for example through the housing platform Housing Anywhere, • or through another third-party provider. <p>Staying in an OeAD Student Residence Hall: WU has made a pre-reservation in certain OeAD residence halls to make sure that housing is guaranteed for its incoming exchange students. Students who would like to make use of this offer, need to register through the OeAD website until May 15 (winter semester) or November 15 (summer semester) at the latest.</p> <p>Private Accommodation: If students prefer to arrange their own accommodations, we recommend using the Housing Anywhere site or any other databases listed on our website.
