STRUCTURE & COURSES

ISCTE Business School courses are structured around the European Standard Credit System (ECTS). Each module usually corresponds to a value of 6 ECTS.

Bachelor's degrees will typically be made up of 180 ECTS credits whilst Master degree will be between 90 and 120 ECTS credits.

LANGUAGE OF INSTRUCTION English & Portuguese

ISCTE-IUL also offers Portuguese language courses at different levels as well as a course of Portuguese History and Culture.

Students with a sufficient level in the Portuguese language may also choose from many modules taught in Portuguese.

GRADING SYSTEM

The Portuguese grading system runs from 0 (lowest) to 20 (highest), with a passing grade of 10. The official Transcripts of Records are additionally issued according to the ECTS grading system.

EXAMS & EVALUATION

Most courses are evaluated through 'continuous evaluation', which uses a combination of class attendance and participation, individual and group coursework and final tests. At the undergraduate level, students need to achieve the minimum passing grade in all evaluation elements; otherwise they must take the resitting exam that counts for 100% of the final grade.

All courses offer resits to students who have failed or who wish to improve their grades. These count for 100% of the final grade.

Please check with your course coordinator regarding the specific evaluation methods before you start each course.

APPLICATIONS FOR EXCHANGE STUDENTS

Deadlines for Nomination

- **1st June** for 1st (Fall) Semester (beginning in September)
- **1st November** for 2nd (Spring) Semester (beginning in February or late January)

Choosing Courses

Places on courses, particularly at the Masters level, are limited, therefore we advise students to apply as early as possible in order to get their desired course selection.

Required Documents - Exchange

No documents are required to be sent by post. Students have to upload the digital copies of documents to the University platform (Fénix): Id card/ Passport, European Health Insurance card/ Health Insurance, photo.

Full-time students should check their particular course requirements at <http://www.ibs.iscte.pt/en/>

Acceptance Letter

If needed, ISCTE-IUL will provide students with a Letter of Acceptance.

Enrolment

The enrolment in ISCTE-IUL and in courses is done by students directly via Fenix system. All students will have to complete their personal information in the system until the 15th June (Fall Semester) or 15th November (Spring Semester).

The enrolment in classes is done in mid-June (Fall Semester) and in mid-November (Spring Semester). It is highly recommended to proceed with this step as soon as the enrolment begins as the courses have limited number of vacancies. The students are informed by e-mail about the deadlines and necessary steps.

Portuguese Buddies

Every ISCTE Business School exchange student is assigned a Portuguese Buddy that supports the incoming colleague before and after arrival (airport pick-up, accommodation, advice on practical matters like opening an account and purchasing a transportation pass, etc.).

Arrival

Students should arrive some days in advance to attend the Orientation Programme, to adapt to the new environment and be in time for their first classes.

Orientation

Prior to each semester a three-day orientation programme will take place, in which students will be provided with information essential to their stay.

Academic Year

The information about the academic year dates is available online at: <http://ibs.iscte-iul.pt/en/?pt=academic-year>

LIVING IN LISBON

Visas

Students from within the EU or the EEA do not need a visa to live, work or study in Portugal. Students from third countries should obtain information from their nearest Portuguese embassy or consulate.

The type of Visa held will define the procedure that you should follow once you arrive in Portugal: in the case that you have been granted a temporary visa it is possible to apply for extensions of stay and those students that hold Residence Visas should request a temporary residence permit within 4 months of arriving in Portugal.

If you go to pick up your visa please check that you have been issued the correct visa for your time in Portugal – it is always worth asking explicitly whether the visa will allow you to study and work as if you are issued the wrong visa you may have to pay a fine on arriving in Portugal. ISCTE-IUL can provide you with the necessary documentation, such as proof of enrollment for your application.

Health Insurance

It is the responsibility of each visiting student to ensure they have sufficient health insurance coverage for the duration of their stay. Students from the European Union should ensure that they bring their European Health Insurance Cards with them.

Medical Facilities

There is a private clinic at ISCTE-IUL premises, which offers discounts for students. A recommended Health Centre within 30 minutes of the ISCTE-IUL campus as well as one of the largest hospitals, Santa Maria, in Lisbon.

Tourist Spots

Lisbon has many interesting and beautiful sights to see including the Tower of Belem and Jeronimos Monastery, which are UNESCO World Heritage Sites.

Within 30 minutes of the campus lay some of Europe's most spectacular beaches, popular with sunbathers as well as surfing and water sports enthusiasts.

For more information and ideas of where to visit please have a look at: www.visitportugal.com

Climate

Portugal enjoys a Mediterranean climate with Summer temperatures around 30°C (86°F), falling to around 12°C (54°F) in winter. Portuguese summers are typically very dry.

Other Living Expenses

Overseas students should consider the following as a rough guide for their expenses:

Item	Amount
Housing (per month).....	€250-€500
Food (per month).....	€150-€275
Meal in the student canteen.....	€2,50
