## Sleep

The rooms at Yoo2 Rio de Janeiro stand apart with their striking design: they make you feel both a part of and apart from the city. Rio's colour, patterns and energy are all embedded in the room, but this is also your own space; a retreat from the city in which to relax and refresh.

The first thing that will strike you will be the views. Depending on your room, Corcovado (Christ the Redeemer), Sugar Loaf Mountain or the beach will be the backdrop for every day. Inside, the local soul is less dramatic but just as uplifting - with street art side tables, Brazilian-tiled floor and rainforest-inspired ceiling prints.

The YOO Tree, an organically designed furniture piece for state-of-the-art AV and books, is a signature feature in every room – as is the distinctive YOO Bed. With a cushioned headboard, suitcase storage and Hypnos mattress, this will ensure you enjoy a refreshing night's sleep when you're ready to tear yourself away from Rio's nightlife.

All the rooms include access to the YOO Pantry and an appetising array of drinks and nibbles.
